

## needs & challenges

Presentations illustrating current desktop studies and project initiatives that have identified needs and challenges for women in aquaculture.

## success stories

Keynote speakers sharing "success stories" specific to three themes:

- (1) Women in Tourism Initiatives
- (2) Women in Education & Research
- (3) Women in Production

## team work

Participant working groups, using the "success stories" and personal experiences as a starting block, identifying good practice in leadership, decision-making, negotiation, communication and work life/balance

## field case-study

On-site case-study of the local operating "route de l'huître" (oyster trails)

# ASSESSMENT OF WOMEN ACHIEVERS IN AQUACULTURE WORKSHOP

7<sup>th</sup> and 8<sup>th</sup> October 2004  
Rochefort, FRANCE

## Sharing Experience

### BACKGROUND

The Assessment of Women Achievers in Aquaculture Workshop is organised by AquaTT in collaboration with Aqualex Multimedia Consortium (AMC), the Association of Scottish Shellfish Growers (ASSG) and Centro Tecnológico del Mar-Fundacion (CETMAR), with the support of the European Commission, DG-Fisheries. For the full agenda and list of activities, visit the dedicated workshop link on the PISCES forum: [www.piscestt.com](http://www.piscestt.com)

### PARTICIPATION

The workshop participant number is final at 28. The target group for participation includes both women and men working in aquaculture, fisheries and marine related areas. The working language of the workshop is English. Interested parties should email AquaTT at [aquatt@aquatt.ie](mailto:aquatt@aquatt.ie) for details on participation. A set Euro contribution will be paid out to all eligible participants after the event.
